# KAZAKHSTAN IN THE BOLOGNA PROCESS

- in Kazakhstan, since 2018, along with formal education, **the results of non-formal and informal education have been officially recognized**

- work is underway to **include micro qualifications** in educational programs.

- in 2021, the **Concept of Lifelong Learning** was adopted

- the transition from quality control to a **quality assurance system** has been carried out, ESG-2015 standards are used

- 11 independent accreditation bodies:** 6 Kazakhstani (IAAR, IQAA, KAZSEE, ARQA, ECAQA, IKAC) and 5 foreign (ASIIN, FIBAA, ACQUIN, MusiQuE, ACBSP).

- The Secretariat of the Bologna Process has recognized the **compliance of the Kazakhstan NQF with the QF-EHEA**
- A law on professional qualifications is being adopted, within the framework of which **the NQF will be updated**

- a **three-level model** has been introduced for bachelor's, master's and PhD programs and **postdoctoral programs** are being implemented

- universities have been granted with **academic independence**
- in universities, the transition to a **credit system has been carried out.**

- since 2020, diplomas issued by Kazakh universities are recognized in all European countries
- since 2021, graduates of Kazakhstani universities are issued diplomas of their own sample.

- formation of the **Central Asian Higher Education space** according to the Bologna process model
- opening of the **Bologna Follow Up Group Bureau in Kazakhstan**

# PRINCIPLES OF THE CENTRAL ASIAN HIGHER EDUCATION SPACE

- ▶ **association** of scientific, intellectual, creative **potential of higher educational institutions** of the Central Asian region.

---

- ▶ creation of a **unified space for higher education** based on democratic principles of inclusiveness, innovation and interconnectedness, on the availability of education regardless of nationality, age, social status.

---

- ▶ creating a **unified qualifications framework** for Central Asian countries to ensure transparency, transferability of qualifications and support lifelong learning

---

- ▶ creation of a **Central Asian Quality Assurance Network** following the example of the European Register for Quality Assurance in Higher Education (EQAR)

---

- ▶ development of the **Central Asian Higher Education Area** in close cooperation with similar associations from other regions of the world (EHEA, APHERP).

---
